

NOVEMBER 2017 DINE OUT FOR EARLY DETECTION

November is Pancreatic Cancer Awareness Month, and we're waging hope! Pancreatic cancer is the third leading cause of cancer death, with a five-year survival rate of just 9 percent. The chances of survival increase dramatically if the cancer is caught early, but unfortunately there is no reliable early detection test for pancreatic cancer. You can help us support researchers working to develop an early detection test by dining at these hometown restaurants. Present this flier on the dates above, and the restaurant will donate a portion of your tab to support this important research and increase survival.

**Nov. 2 12 Farms
Hightstown
5 – 9 p.m.**

**Nov. 7 Byrnes Deli
Hightstown
7 a.m. – 4 p.m.**

**Nov. 8 Charlie
Brown's
East Windsor**

**Nov. 19
TGIFriday's
East Windsor**

KELLY'S HEROES
is an East Windsor-based
501c3 inspired by
Steve Kelly, who never
stopped waging hope
against
pancreatic cancer.
